Sure Start Services

Sure Start is a Government initiative for families with children and babies under 4 years of age. Sure Start aims to give children the best start in life by supporting their health, social and emotional development, their ability to learn, and by strengthening their families and communities.

We offer a wide range of services from the antenatal stage right through until children turn 4yrs of age. Programmes and visits are facilitated by our team of professionals specialising in play, health and well-being, family support, speech and language and early education.

Get involved by contacting your nearest Sure Start office or, emailing us at cherish@archlc.com or message us on our Facebook page.

"Enjoyed learning that the baby's brain development is important from an early age"

"I realise how important praising good behaviour is."

"It was great to meet other mums and hear other views and opinions"

BABY ANTENATAL

"It has given me more knowledge of what to expect throughout pregnancy and becoming a parent. My confidence as a mum-to-be has grown massively, along with my social skills and sharing with others."

"I have learned great techniques to calm my baby"

Nurturing Programme

"I am more fun to be around"
